## Courses Offered

# B.TECH

CE/ ME/ EN/ EC/ CSE

# M.TECH

Computer Aided Design & Manufacturing

# M.B.A.

## FACTS

- 5000+ Placement records.
- 18 Year of Excellence.
- Awarded Best Engineering College 2018 By CSERD.
- Excellent Linkage with Industry.
- Dedicated to Innovative Education.
- State of the Art Infrastructure.

## SCHOLARSHIP

| PCM OF UP BOARD & ANY BOARD                          |   |                       |
|--|---|-----------------------|
| 85% & Above  | - | 80% Tuition Fee Free  |
| 80% - 84.9%  | - | 60% Tuition Fee Free  |
| 75% - 79.9%  | - | 40% Tuition Fee Free  |
| 65% - 74.9%  | - | 30% Tuition Fee Free  |
| 20% Discount in Hostel Fee for all above Candidates. |   |                       |
| UPSEE B.TECH RANK HOLDERS/JEE                        |   |                       |
| Rank 1 - 20000                                       | - | Full Tuition Fee Free |
| Rank 20001 - 40000                                   | - | 70% Tuition Fee Free  |
| Rank 40001 - 75000                                   | - | 50% Tuition Fee Free  |
| Above 75000  | - | 30% Tuition Fee Free  |
| MBA/ LATERAL ENTRY RANK HOLDERS                      |   |                       |
| Rank 1 - 5000  | - | 70% Tuition Fee Free  |
| Rank 5001 - 10000                                    | - | 50% Tuition Fee Free  |
| DIRECT ADMISSIONS (LATERAL ENTRY)                    |   |                       |
| B.Sc 60% & above                                     | - | 30% Tuition Fee Free  |
| Diploma 80% & above                                  | - | 30% Tuition Fee Free  |
| DIRECT ADMISSIONS MBA/ M.Tech                        |   |                       |
| Graduation 60% & above                               | - | 30% Tuition Fee Free  |

## BBSCET

### Major Recruiters

# "BENI MADHAV SHIKSHA SAMITI"

"Beni Madhav Shiksha Samiti" has been working sincerely in the field of establishing educational institutes since 1983 under the chairmanship of the Late Bholu Singh Ji, who was a dedicated social reformer. Presently, the responsibility of chairmanship is borne by his wife Smt. Janki Devi Ji. Institutions established under the samiti are:

2002

**BBS College of Engineering & Technology, Prayagraj**

1999

**Beni Madhav Singh Mahavidyalaya, Prayagraj**

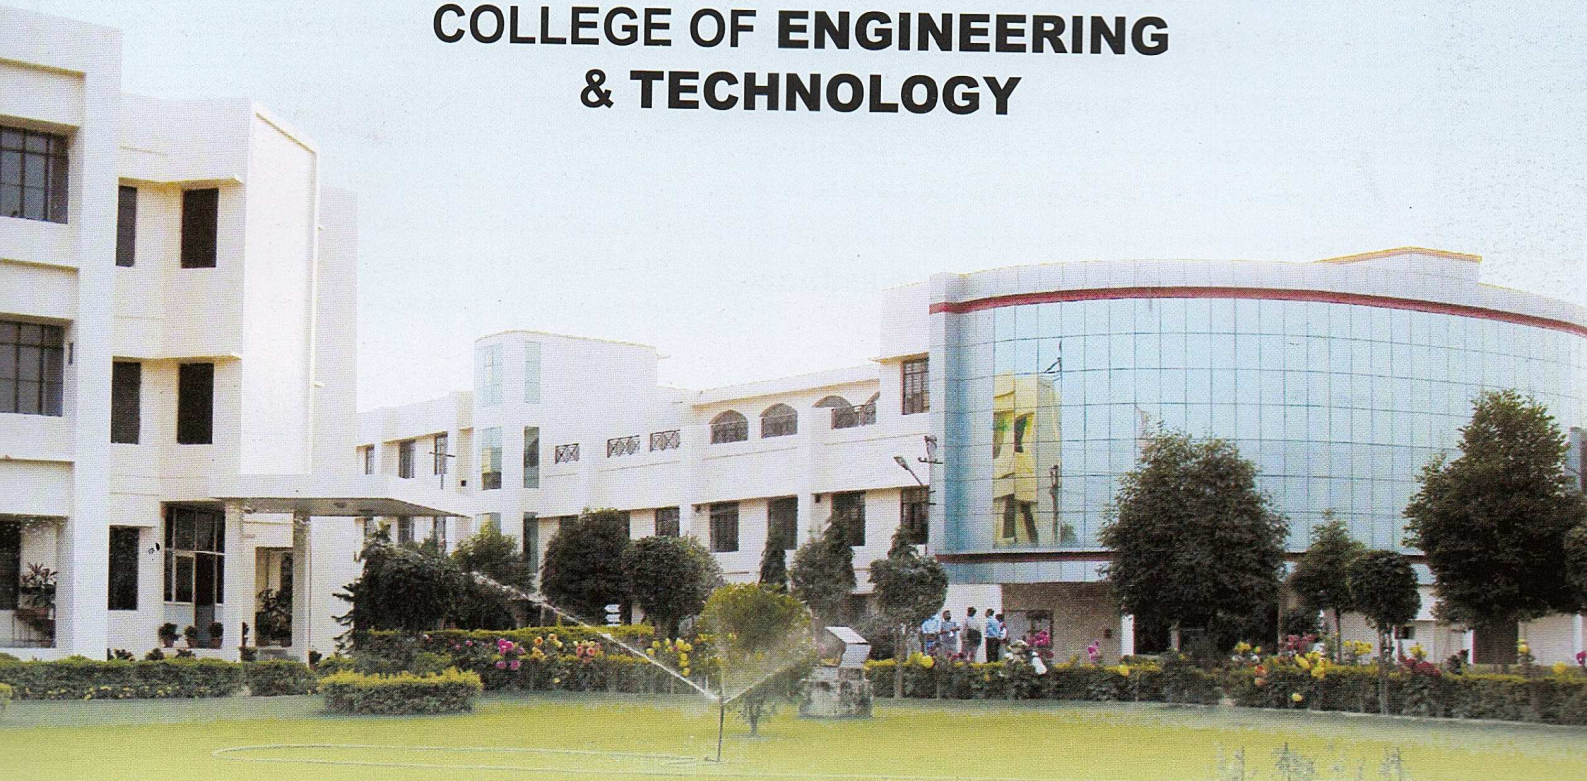

1983

**Smt. Janki Devi Girls Inter College, Prayagraj**

Beni Madhav Singh Maha Vidyalaya, Madhav Nagar, Bigahiya, Prayagraj

## COLLEGE OF ENGINEERING & TECHNOLOGY

The Institute was established under the BENI MADHAV SHIKSHA SAMITI in 2002, affiliated to Dr. A.P.J. Abdul Kalam Technical University and approved by AICTE, MHRD Govt. of India (New Delhi).

The college is spread over a vast area of 27 acres of land with around 15,000 sq. mtrs. of built up area. It has well - furnished & maintained hostel facility for boys and girls separately. The college presently offers five under graduate technical programmes & M.B.A. & M. Tech.

|   |           |
|---|-----------|
| ▶ Computer Science & Engineering                              | 60 Seats  |
| ▶ Electronics & Communication Engineering                     | 60 Seats  |
| ▶ Mechanical Engineering                                      | 120 Seats |
| ▶ Electrical & Electronics Engineering                        | 60 Seats  |
| ▶ Civil Engineering   | 120 Seats |
| ▶ M.B.A.  | 60 Seats  |
| ▶ M.Tech "Mechanical" (Computer aided Design & Manufacturing) | 18 Seats  |

# Departments

## Department of Computer Science & Engineering

Computer Science & Engineering department is one of the prominent department in the college which runs B.Tech course for the upcoming of the students under the guidance of highly qualified and experienced faculties.

Computer Science & Engineering department has excellent infrastructure with well equipped labs to provide theoretical as well as practical knowledge of the subject. The department has been able to produce adept engineers in the field of computer science. The products of this department have secured places in many leading oraginsations and their outstanding performance has brought laurels to the institute. Each and every lab has highly configured system & installed with all latest software.

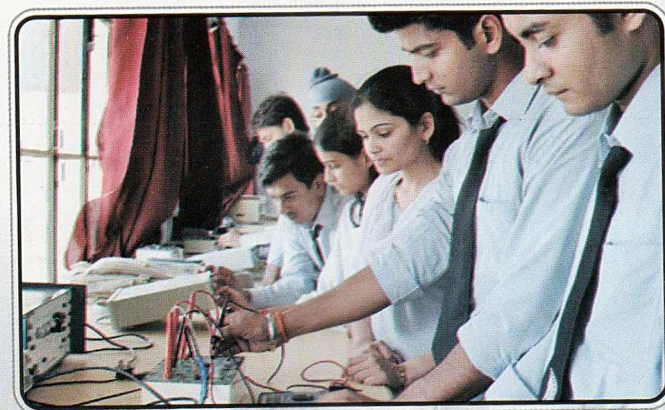

The department provides training on latest technologies' apart from the course curriculum designed by the AKTU which is more helpful to produce the talent as per industrial requirement.

## Department of Electronics & Communication Engineering

The Electronics & Communication Engineering Department has been accredited by NBA in 2008. The department has a dedicated faculty and adequate infrastructure to impart instructions. The results in the university examination have been excellent throughout.

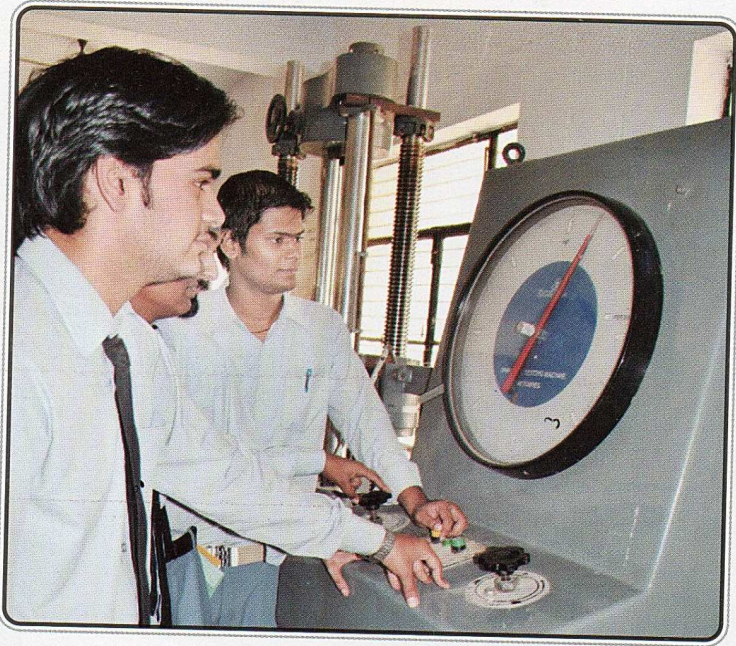

The department has well equipped laboratory and advanced software facilities.

- MAT lab
- PCB Design software labs
- Advanced communication system lab
- Solid state devices/circuits lab
- Digital circuit lab
- Microwave devices lab
- Micro processor lab
- Analog circuit lab
- Micro controller lab
- Measurement equipment lab

# Departments

## Department of Mechanical Engineering

The department of Mechanical Engineering is engaged in crafting technocrats in the field of mechanical engineering since 2002 under the guidance of qualified and experienced faculty headed by Dr. S.B.L.Asthana (Ret. Prof. & Head dept. of Mech. Engg. I.T.B.H.U).

The Mechanical Engineering department has been accredited by N.B.A in 2008. The department also offers M.Tech. program in Advanced CAD. The department is equipped with all the required infrastructure having the following laboratories-

- Material Science & Testing Lab
- Applied Thermodynamics Lab
- Fluid Mechanics! Fluid Machinery Lab
- Dynamics of machine Lab
- Heat and Mass Transfer Lab
- Refrigeration and air conditioning Lab
- CAD/CAM Lab
- I.C Engine Lab/Auto Mobile Lab

CAD/CAM Lab well equipped with CNC milling machine, and softwares such as CNC Trainor, ESPRIT CAM, Solid Works and ABAQUS. The department has also planned for FMS.

## Department of Electrical & Electronic Engineering

Central workshop is well equipped with modern machines and advanced tools. The department has own departmental library having 1000 books including national and international journals.

The department is well equipped to impart high standard of technical education imbued with practical experience so as to enable the students to meet the growing needs of the industries.

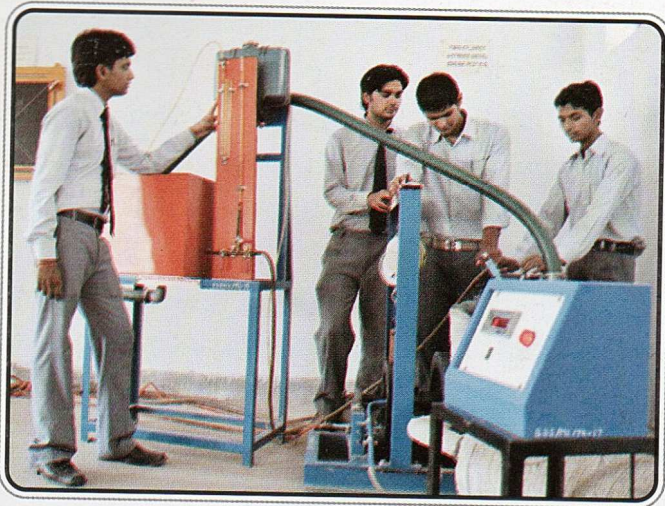

As per academic requirements the department has thirteen modern laboratory facilities such as

- Electrical Engineering Lab
- Network Lab
- Electrical Machine Lab
- Electrical Measurement Lab
- Microprocessor Lab
- control system Lab
- Power Electronics Lab
- MAT Lab
- Simulation Lab
- Power System Lab
- DSP Lab
- Telemetry Lab
- Electrical Instrumentation Lab

# Departments

## Department of Civil Engineering

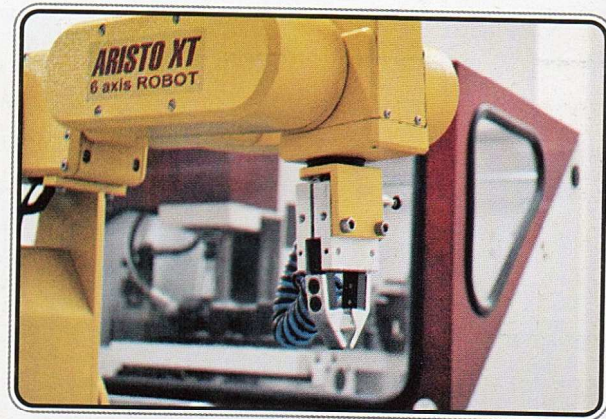

The department is well equipped with highly qualified & experienced faculty and infrastructure to keep the students up-to-date with latest developments and well equipped laboratories to provide the desired hand on training, on the key subjects like Fluid Mechanics, Surveying, Structural analysis and design etc.

The Department is also Supported by its mother concern M/s Bholasingh Jaiprakash Construction Limited (BJCL), established by founder chairman late Bhola Singh in 1963.

## M. Tech (Mechanical Engineering)

M.Tech. in Advanced CAD (Computer Aided Design) started in the department of Mechanical Engineering from the session 2010-11 with the approval of 18 seats by AICTE. One Batch is likely to pass out in this session.

The Mechanical Engineering Department is well equipped with all the infrastructures needed to run the post graduated classes in Advanced CAD, e.g. FMC (Flexible Manufacturing Cell) Lab with FMC and ABAQUS software, six axis robot and CNC Machines. A team of well qualified and experienced teachers are there in the department to guide the M.Tech. students.

# Departments

## Department of MBA

The basic purpose of MBA programme is to bring in an attitudinal change among the students, to develop their leadership qualities and finally to mould them into competent managers to handle resources optimally and do take effective decisions to achieve organizational goals.

This two year full time course, affiliated to Gautam Buddh Technical University is divided into 4 semesters. The subjects covered in each semester are designed so as to equip students with modern management concepts & techniques with emphasis to relate it to real life situations The training is imparted with specialization in Human Resource Management, Marketing management, Finance Information

Technology Management and International Business. Apart from facilitating theoretical knowledge, the course is also laying emphasis on imparting various personality development activities to the students. Activities like Role play, Management Games, JAM sessions, Newspaper reading, Case study and Management movies are an essential part of the curriculum. These activities help in improving various skills of the students and prepare them for the competitive environment.

The department also conducts industrial tours from time to time for giving practical exposure to the students.

# Facilities

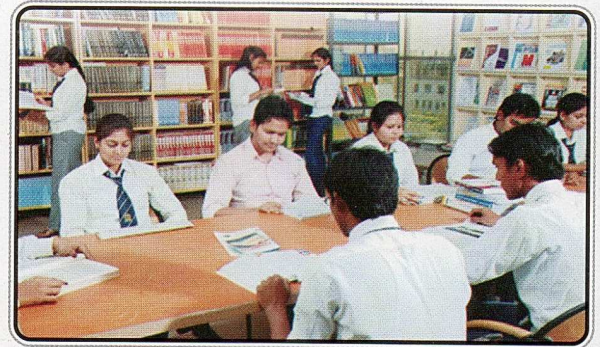

ALL THE INSTITUTES OF BBS GROUP OF INSTITUTIONS, HAVE FOLLOWING FACILITIES

## CENTRAL LIBRARY

A library is the heart of an institution. It helps, promotes & coordinates the teaching & academic scenario in the campus. Apart from the main tax books, library has newspapers, magazines, journals & periodicals for the overall development of the students. The library is linked with different National & International libraries for the exchange of information. It is fully digitalized by Libsys and has all the reprographic facilities. For a modern educational institution, the library is an important source of learning. BBS College of Engineering & Technology library caters adequately to the needs of B.Tech., M.Tech. & MBA students, research students as well as all the staff members. A well-equipped and well-manage Library is the foundation of modern educational structure. The library is a boon to any organization.

The BBS College of Engineering & Technology library caters adequately to the needs of B.Tech., M.Tech. & MBA students as well as all the staff members.

- 5000 Titles
- 45000 Volumes
- 180 National Journals
- 552 International e-Journals and Proceedings
- Reading Halls for more than 300 Students
- Special Reading Room for Researchers and Teachers
- Computerized Library Management System
- Online International Journal Workstations Connected with 14 MBPS internet Optical Fiber Connectivity (through BSNL) and Wi-Fi campus
- Audio-Visual Library Section with 350 CDs
- Career Guidance Section (35 Tiles)
- Magazines and Periodicals Section (20)

A separate Reference Section is maintained for important and rare books.

## DIGITAL LIBRARY

Digital Library is the main attraction to satisfy the thirst for knowledge of the students. It provides Access of 792 e-Journals, Transactions and Conference proceedings. Students can download their desired materials. The E-Journal Program has been launched under INDESTAICTE Consortium with approval of MHRD.

# Facilities

## LABORATORIES

To meet curriculum demands of UP Technical University for Practicals big, spacious, well furnished and fully equipped laboratories with state of arts Technology (modern) equipments are setup to provide practical training to the students.

The various Laboratories are- Physics Lab, Chemistry Lab, Electrical Engineering Lab, Electrical Machines Lab, Network Lab, Database Lab, Communication Lab, Electronics Workshop & PCB Lab, Electronics Lab, Fluid Mechanics Lab, Mechanical Engineering Lab, Material Science & Testing Lab Thermodynamics Lab, Metrology Lab, Graphics Lab, CAD Lab, CNC Lab, Computer Organization Lab, Microprocessor Lab, Simulation Lab, MAT Lab, Communication Lab(English), Surveying Lab, Civil Engg. Lab, Geology Lab etc. & in Greater Noida we have all well equipped lab of pharmacy.

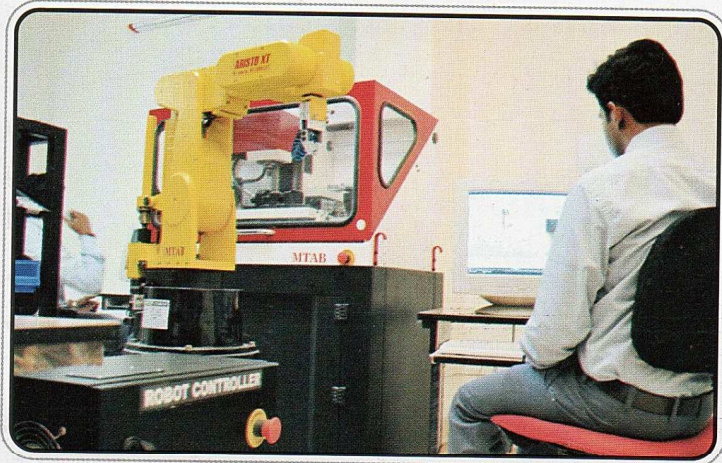

## LANGUAGE LAB

Two full-fledged language labs equipped with latest RENET software packages are available for developing student's proficiency in English language and communication skills.

## WORKSHOP

The Institute has a well-established workshop equipped with different modern machines, latest tools & instruments. This workshop comprises of seven different shops where students get excellent training & exposure to Industrial production devices, technique & machines.

## SPORTS & CULTURAL ACTIVITIES

The personality of the students requires that they must take active participation in various sports & Co-curricular activities.

A number of outdoor games facilities like Cricket, Football, Volleyball, Hockey, Tennis etc. are arranged for the students.

In addition to outdoor games, we have the facility for a number of indoor games like Table Tennis, badminton, Chess & Carom etc. College organises the various cultural & social functions from time to time such as annual cultural meet Abhivyanjana, annual sports meet (Srijan) annual fresher function (Udbhav), NSS etc.

# Training & Placement Cell

Training & Placement cell in the institute plays a vital role and is becoming a key department of the Institute. A well-organised placement cell is functioning in the institution with a full time dedicated placement officer, who continuously monitors the employment potentials and arranges the campus interviews for the students. The placement officer maintains a consistent communication with leading companies 'Nation wide' for placement of the students. The office keeps close liaison with various industrial establishments (both private & public sectors), which conduct campus interviews and select graduate and postgraduate students from all disciplines. The placement cell is having a world-class infrastructural facilities to conduct group discussions, tests and interviews. The college is actively organising in campus and out campus interviews for its students to get proper placement.

## The various activities of the training and placement section:-

### ▶ Training :-

Training & Placement Cell is very active to arrange the summer training for 3rd Year and Final Year students of B.Tech and 1st Year students of MBA.

### ▶ Educational Tours :-

Educational tours provide first hand knowledge about field application of technical knowledge and help widen the overall concept. The training and Placement Cell arranges such tours for the students.

### ▶ Campus Interviews :-

Many leading & reputed Engineering and Management organisations regularly participate in campus recruitment programme.

Our students have proved their worth with the sense of self accomplishment winning the laurels of different organizational setups like , TCS, Infosys, Indian Army, Indian Navy, L&T, Accenture, HAL, Areva, Iflex solutions etc.

- ▶ Extends the guidance to the students looking for higher studies such as GATE, CAT, GRE etc and also to choose universities.
- ▶ Motivates the students by providing the necessary help and guidance for their personality development.
- ▶ Conduct the classes for group discussions, interview technique and technical test on regular basis.
- ▶ Placement Cell invited eminent faculty members from MNNIT, IIIT-Allahabad, IT-BHU etc to improve the technical and personal skills.

19. Particulars of Examination Passed

| Sl. No. | Examination | Institution Attended | Board/ University | Year of Passing | Roll No. | Aggregate % of Marks | Division |
|---------|-------------|----------------------|-------------------|-----------------|----------|----------------------|----------|
| 1.      |             |                      |                   |                 |          |                      |          |
| 2.      |             |                      |                   |                 |          |                      |          |
| 3.      |             |                      |                   |                 |          |                      |          |
| 4.      |             |                      |                   |                 |          |                      |          |

20. Percentage of Physics, Chemistry, Math at the 10+2 standard / Intermediate examination

| Subject      | Max. Mark | Mark Obtained | Percentage |
|--------------|-----------|---------------|------------|
| Physics      |           |               |            |
| Chemistry    |           |               |            |
| Mathematics  |           |               |            |
| <b>Total</b> |           |               |            |

21. For Diploma holders/B.Sc. (Only for Admission in B.Tech 3rd Semester)

| Sl. No. | Examination | Institution Attended | Board / University | Year of Passing | Aggregate % of Marks | Division | Rank in UPSEE |
|---------|-------------|----------------------|--------------------|-----------------|----------------------|----------|---------------|
| 1.      |             |                      |                    |                 |                      |          |               |
| 2.      |             |                      |                    |                 |                      |          |               |
| 3.      |             |                      |                    |                 |                      |          |               |

22. For Scholarship applying document

| Sl. No. | Certificate Name     | Application No. | Certificate No. | Date of Issue |
|---------|----------------------|-----------------|-----------------|---------------|
| 1.      | Income Certificate   |                 |                 |               |
| 2.      | Caste Certificate    |                 |                 |               |
| 3.      | Domicile Certificate |                 |                 |               |

I solemnly declare that all statements made in this application are true to the best of my knowledge. I also declare that the marks mentioned by me in this application pertain to examinations conducted by a Board/University and passed by me.

Date: .....

Place : .....

(Signature of the Applicant)

**Enclosures :**

- Photocopies of Proof of Examination passed, Marks obtained.
- Rank proof of Entrance Examination.
- Character Certificate from the principal of institute last attended.
- Income Certificate, Caste Certificate and Domicile Certificate with three sets photocopy.

**Note :**

- Originals of all the above said documents are to be produced at the time of Interview/Counselling.
- All original documents, 2 set photo copy & transfer certificate or Migration is must be submitted at the time of Admission.
