## Chancellor's Welcome

Dear Students,

My hearty welcome to you to at J.S. University, a peaceful and resplendent Temple of learning. We promise for taking special pride in preparing you well for your journey in life through consecrated faculty and excellent curricula with a deep commitment to make you learn what is needed you're your success in the life.

The premises of the J.S. University, with its glorious infrastructure is greatly admired, it creates a perfect atmosphere for academic drive. One has to step into the lush green environs of J.S. University to live the serenity, warmth of life and pulse of youth.

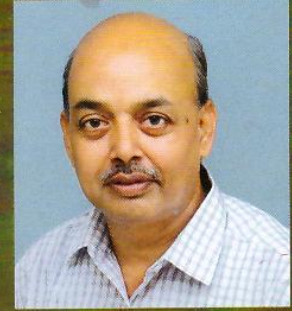

Most of the infrastructure of the University has been completed and it is my pleasure to express the achievements made by the University is really commendable and praiseworthy. It is a upstanding proof of the continuous hard work and resolve of the University's entire team and I do hope that they would continue their efforts to bring the University to national and international fame.

I firmly believe that the J.S. University should be a vibrant Knowledge Centre for our youths. It is the ultimate platform to help flourish the multi-dimensional talents of the students through different academic and co-curricular activities. The university should provide the quality education which is rich in values and modern in content. Being the Chancellor of this University, I would again like to ensure focus on integration, expansion and diversification, with the following key thrust areas:

- To make the University responsive to ever changing societal needs;
- Strengthen University on the National and Global Map of education and research;
- New methods and teaching aids which will contribute more to the society.
- Teaching enhancement program for teachers to adopt new methods and teaching aids;
- To make best use of IT Infrastructure for Automation in Administrative and Academic process;
- Transparent administration and Fool proof examination system.

*I invite you to take this journey towards excellence with us at J.S. University, and convey you my best wishes for a rewarding career.*

**Dr. Sukesh Kumar**  
Chancellor

Social Worker

### *Vice Chairperson's Message*

Dear Students,

Welcome to J.S. University - a splendid, multi-campus university. At the very onset, I am prompted to use a John Dewey's quote: "Education is not preparation for life; education is life itself"

I believe that challenges of the contemporary world require professionals not to end their quest for knowledge along with their stay in the campus. The dynamics of the fast-changing world urges the academicians to give the right impulsion for making life-long learners out of students.

The J.S. University focuses not only in providing quality education in contemporary domains but also strives to make students independent in thought and action and build good moral values in them. Quality standards of the University are driven and monitored by its talented Peer Team with the participation of all stakeholders. Quality is a journey on the path of continuous improvement which has no last milestone and it is this ideology that JSU believes and strives for.

In addition to creating fertile minds for professional and personal success we have committed ourselves to create responsible citizens who are the epitome of highest ethics and social conduct.

It, therefore, gives me great pleasure to welcome the aspiring students seeking admission during the current academic session to the creative world of newly born J.S. University for a very bright and eventful innings in their careers.

**Dr. Geeta Yadav,**

Vice- Chairperson

### *Pro-Chancellor's Message*

Dear students,

Only education empowers the society to grow in real sense by overcoming poverty, ignorance and lack of esteem. This thought led us to pursue JSU's mission to bring social transformation through dynamic education. Barring all barriers, education should be spread to every stream of society and individual. J.S. University is keen in sustaining this vision with all its capacities. We have been taking every possible measure to bring the youth under one roof that can provide them modern education to counter challenges ahead.

Quality education is presently delivered through several graduate, post-graduate and doctoral programmes. With many new programmes in the offing, the University has excellent academic and administrative resources in a fully-green campus which creates great ambience for the students and the faculty in their academic pursuits. The University lays great emphasis on academic delivery through application orientation in various programmes, laying special emphasis on teaching, research and development.

The University has very well equipped labs, workshops, libraries and good sports facilities to help students in attaining higher standards in academic, research and professional skills. The Faculty is highly qualified, experienced and talented drawn from reputed institutions and organizations. We believe in the development of students in such a way that ensures admirable future for them. JSU's blend of academic experts, caring faculty, dynamic curriculum, research facilities and industry-academia interaction makes it the best choice to launch your career or enhance your professional skills.

It gives me great pleasure to welcome you to JSU where you can navigate through the plethora of career choices you may want to choose from. I wish you the very best and hope to see you make your career choice with JSU.

Affectionately Yours,

**Dr. P.S. Yadav**

Pro-Chancellor

## Message from the Vice Chancellor

Welcome!

At the very onset, I am prompted to quote Dr. A.P.J. Abdul Kalam "Learning gives creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes you great".

Being the founder Vice-Chancellor of this University, it is a matter of great pride and consolation that the University has successfully entered into its 2<sup>nd</sup> year of its age. I would fully utilize all my energies, experience and potentials to make this University a great seat of learning.

Our focus would be on academic excellence and would try that the University may prove its distinction imparting quality education, learning, research and other academic activities. The University currently offers various on-campus programmes in various disciplines including engineering, management, sciences, pharmacy, education, physical education, arts and humanities, social sciences etc., nearby one dozen Ph.D. programmes plus offering PG Diploma programmes in different fields. We would not halt here and would try to expand the sphere of academic activities by launching more new disciplines in emerging sciences.

Indeed, I am content and feel proud of my dedicated team members for their candid collaboration and support and also feel indebted to patronage of Hon'ble Dr. Sukesh Kumar ji, the Chancellor of J.S. University for putting this University on the way of success.

I welcome all the students who chose to be a part of this newly born University, I am sure that they will feel proud on being associated with us and make us equally proud with their academic excellence.

**(Prof. Hari Mohan)**  
Vice Chancellor

**Prof. (Dr.) Hari Mohan**  
Ph.D., D.Litt.

- Ghulam Rahman Nabizada (Kabul, Afghanistan)

"This University has a good environment that I have seen. The students will be comfortable than other places ."

- Ahmad Sulaiman Shabir (Kabul, Afghanistan)

## Welcome to JSU!

Choosing a university is one of the most important decisions that you will ever make. This prospectus will provide you with a brief introduction to life at J.S. University, the courses and programmes, and will take you through the application process.

JSU offers you the chance to experience quality education in India.

We encourage you to visit our magnificent campus, inspect our facilities, talk with students, meet members of faculty and discover yourself why so many bright young men and women have made this University their first choice.

### Why JSU!

Your university experience is about more than books, papers and projects; it is also about participation and personal growth. As with rest of life, what you get out of your university life depends upon what you put into it. At JSU, we offer you choices, encouragement and guidance to allow you to put your best into your university years and get the best returns.

### What is life like at JSU!

Your university years are a time to invest in your future. Your academic work and classroom experiences help you develop your mind giving you tools for success in your chosen career. Student activities expand your horizons even further. Invest your time, your mind and your spirit in JSU and reap the benefits of your hard work and dedication in years to come. We are there for you every step to the way.

"The main thing that attracted me is the PG Diploma course in Journalism & Mass communication was high standard of the syllabus, its various components and the practical work experience which is essential. Theory added with practical's give make the course very interesting. Also, as international students our own experiences in the field is given consideration which is very motivating."

- **Ms. Rughoo Asita,**  
*(TV & radio News Editor and  
Presenter, MBC (Mauritius  
Broadcasting Corporation))  
Student of PG Diploma in  
Journalism & Mass  
Communication*

## Our students from Nigeria

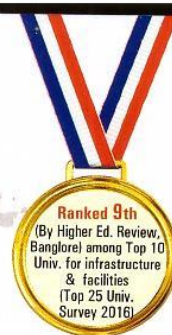

Hauwa Ibrahim

Sabain Ado Garba

Ashafa Isa

"JS University has opened the doors for research and for professional courses for us. The level of Ph.D. entrance test is very good and of very good of quality and standard. It has also given us the opportunity to focus on area of research of our society and country. The follow up from management and administration is varying laudable and there is ease in communication through the website which keeps us updated of latest happenings and important dates."

- Geerjanandsingh Bissessur (Arvind)  
(Ph.D. Scholar from Mauritius)

### Curricular and Evaluative Practices

JSU has pioneered many innovative teaching and evaluative practices long before they have introduced in institutions of higher education in India. It has provided full autonomy to the tutor to design the syllabus and evaluate students in the Continuous and Comprehensive Evaluation (CCE) mode through tests, presentations, term papers and projects, long before CCE became standard practice. We are on the way to adopt Choice-Based Credit System (CBCS) suggested by UGC.

### Teaching and research

The J.S. University has more internationally and nationally esteemed researchers than other newly established private universities in India.

- We have a good number of undergoing research degree.
- We are in process to tie-up with other universities and institutes in the field of research at international and national level.

### Exciting range of programmes

You can choose from a wide range of taught and research programmes – from one year post graduate diploma to extended research degree.

### Student Feedback

The University has been following a system of student feedback, which is done manually. Students fill in a feedback form, where they assess the teachers in the following criteria –

-Quality of content of lecture – Quality of delivery – Degree of updating of contents – Promptness in evaluation and feedback – Regularity and punctuality in meeting the class – Empathy for the problems faced by the students. – Quality of research guidance.

### Students Progression and Support

To provide a holistic environment conducive to learning, the JSU offers a wide range of support facilities through mechanism both institutional and informal.

### Enhancing your career potential

Whether you want to prepare yourself for a career in academia, develop your research portfolio or learn new skills, postgraduate study can help you stand out amongst your peers.

Whatever your motivation, a postgraduate qualification will provide you with the chance to:

- Explore new and emerging fields of study.
- Acquire further specialist knowledge and theory
- Gain advanced knowledge of professional practice (depending on your programme)

A postgraduate research qualification will give you the opportunity to:

- Demonstrate mastery of specialist knowledge and theory.
- Define and manage a research project.
- Undertake original research and practice.

### Learn new skills

To augment and enhance the skills and knowledge you receive as a Technology, Management or Education postgraduate student, the University provides a range of skills programmes.

The Technological, Educational and Doctoral Skill programmes offers a variety of courses to help develop academic and professional skills and to help with career planning and professional development.

### Utilising student services and support

When you embark on the challenge of higher study, it is important to feel confident that you have support you need to succeed. Our extensive range of student services ensures that help is ready available; we can assist you with everything from skill development to career planning.

### Learning support

#### Libraries and Learning Services

Libraries and Learning services provide resources; workshops and advice to help you successfully complete your study.

Within the libraries you can access large collections of print, multimedia and micro text materials. From the Libraries and Learning services website you can access diverse collections of electronic resources, including database, e-journals and e-books.

#### Study space

In addition to the plentiful general study spaces, the post graduate student's commons has a quiet study /meeting space reserved for post graduate students and research scholars. Many faculties and departments also offer dedicated post graduate workstations or research facilities – for example, Dr. Ram Manohar Lohia Advance study and research Institute provides computers and study space specifically for M.Phil. / Ph.D. students in various subjects.

#### Personal support

University hostels and the office of Dean Students welfare provide a home away home for students on campus and are used for teaching, learning and other student activities. The office of DSW provides environment for studies and a space for discussion and support. University staff assists students with their studies through workshops, study groups, individual and consultations. Additionally, students can seek advice and support from DSW office at any time.

#### Students with disabilities

As part the University's commitment to students with disabilities, the DSW office provides support to students with a range of impairments so they can succeed and excel within the University. Support can be

tailored to your needs to help make studying at the JS University an accessible and positive experience for you.

### Sport and recreation

Play sport, get fit and have fun, whether it's by using our gym facilities, taking part in one of our group fitness class or signing up for a sport. Our Sport and Recreation / Cultural Activities Centre offers a well-equipped gym with weights and cardio machines, sports hall and squash court, as well as a number of group fitness classes you can join. The professional Sport and Recreation staff can advise on the many options to get involved, as well as offering personalised advice on health, fitness and general well-being to ensure an active body and mind.

Rural, lush green and pollution free environment of the JS University campus help a lot for gaining this goal.

### University-managed accommodation

All of our residences offer opportunity to meet and make new friends with other students from several parts of the country.

University runs one hostel for boys and one hostel for girl students. There is also facility to provide food for all the students on nominal charges.

### Private accommodation

Apart from our University-managed student accommodation facilities, there is a wide choice of rooms, apartments and flats around Shikohabad, Firozabad and Agra. The University is located close to the city and business district and is served well by buses from all areas. (Shikohabad 5 KM, Firozabad 18 KM, AGRA 65 KM, Etawa 30 KM, Mainpuri 40 KM)

If you are interested in seeking accommodation outside of the University residences, our DSW office team will be pleased to assist you with comprehensive information about renting in Shikohabad and Firozabad.

### Support for international students

The University provides a comprehensive range of support services for international students to help make your transition to life in Shikohabad (nearby Agra) smooth as possible. This includes learning and academic support, Hindi (local dialect - Brij) and English language support and personal support.

As a graduate or postgraduate international student, you will have access to general support services the JS University offers to its students. There are also specialist support services to help you adjust to life in India and enjoy your studies at Shikohabad (Firozabad) nearby Agra, the city of Tajmahal.

### Scholarships and tuition-fee refund

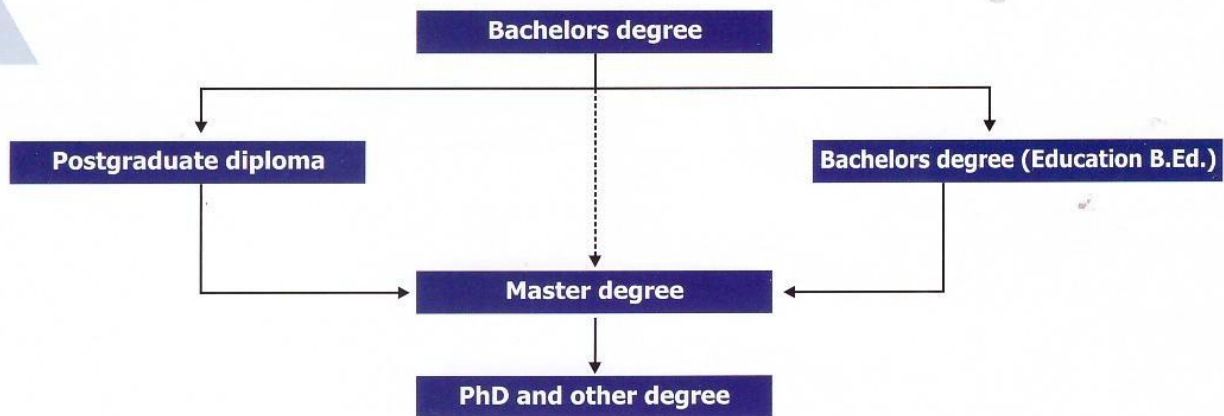

Students whose parent's/guardian's annual income is less than Rs. 2 lac, are entitled to avail scholarship and tuition-fee refund as per norms prescribed in notification of the Uttar Pradesh Government, time to time.

Eligible students may apply for scholarship and tuition fee refund within the prescribed time-limit for particular academic year. Their applications will be considered by the University in accordance with the above norms and, if found in order, forwarded to the U.P. Govt. for approval.

**Rajiv Gandhi National Fellowship by the UGC for SC/ST candidates** for M.Phil and Ph.D. as per UGC norms.

3.	Master of Radiation Technology	BRT / BPT / BOT / Graduate in concerned Branch	2	40000/-
4.	Master of Optometry and Ophthalmic Technology	BOOT / BPT / BOT / Graduate in Concerned Branch	2	40000/-
5.	PG Diploma in Geriatric Medicine	MBBS	1	30000/-
6.	PG Diploma in Maternal and Child Health	MBBS	1	30000/-
7.	PG Diploma in Drug Regulatory Affairs	Graduate with Science	1	30000/-
8.	PG Diploma in Intellectual Property Rights	Graduate	1	30000/-
9.	PG Diploma in Hospital & Health Management	Medical/ Dental Graduate from Medical / Dental Institute of India Recognized by MCI / DCI. Graduate in Indian System of Medicine, Homeopathy and Nursing, Pharmacy Recognized by Respective Council with 3 years of Hospital experience or candidates holding MBA or PG Diploma in Financial or Marketing or Personnel Management with 5 years of hospital experience.	1	30000/-
10.	PG Diploma in Pharmaceutical Production Management	Graduate with Science	1	30000/-
11.	M.Sc. (Bio Technology)	Graduate in Related Fields	2	30000/-
12.	M.Sc. (Microbiology)	Graduate in Related Fields	2	30000/-
13.	M.Sc. (Biochemistry)	Graduate in Related Fields	2	30000/-

### (M) Other : Paramedical Graduate and Certificate Level Courses

S.No.	Courses	Eligibility	Duration (Yrs.)	Fee
1.	Bachelor of Occupational Therapy	10+2 with PCB / PCM	3	35000/-
2.	Bachelor of Medical Lab Technology	10+2 with PCB / PCM	3	35000/-
3.	Bachelor of Radiation Technology	10+2 with PCB / PCM	3	35000/-
4.	Bachelor of Optometry and Ophthalmic Technology	10+2 with PCB / PCM & English with 45% aggregate marks	4	35000/-
5.	Certificate in Health Care Waste Management	10+2	6 Months	15000/-
7.	B.Sc. (Microbiology)	10+2 with PCB	3	20000/-
8.	B.Sc. (Biochemistry)	10+2 with PCB	3	20000/-

# Dr. Ram Manohar Lohia

## Higher Study & Research Institute

"The modern facilities and building of the university are very conducive for proper learning and teaching to take place. ... We really appreciate the welfare facilities provided to students and the follow up from supervisors and administration..."

Aversatile genius, sharp intellect and persuasive speaker, Dr. Ram Manohar Lohia was Gandhian Socialist, visionary rebel and man of letters. This was firm stand of him, the emancipation of women was the foundation of social revolution; without this there can be no prosperity. He always made emphasis that, "Caste restricts opportunity. Restricted opportunity constricts ability. Constricted ability further restricts opportunity. Where caste prevails opportunity and ability are restricted to ever-narrowing circles of the people."

J.S. University has established a centre of higher study and research, specially of political systems and thoughts after the name of Dr. Ram Manohar Lohia to achieve the dreams of our source of inspiration, a great leader Shri Mulayam Singh Yadav ji.

### **The following courses will run under the roof of this advance study institute :**

1. P.G. Diploma in Political thoughts.
2. Diploma in Political management (including proficiency in communicative Hindi and English)
3. P.G. Diploma in Woman Studies.
4. P.G. Diploma in Forensic Science.
5. P.G. Diploma in Security Management.
6. M.Phil and Ph.D. in various subjects of Arts, Science, Humanities, Commerce, Management, Education and Physical Education etc. (In accordance of New U.G.C. Guidelines).

# JS Institute of Management & Technology Campus

## Institute at A Glance

J.S. Institute of Management & Technology (JSIMT) has been founded by Shri Jagdeesh Jan Kalyan Educational Trust. The Trust established this institute with the aim of providing state-of-the-art education in the fields of Engineering & Management, both at the undergraduate and postgraduate levels. Dr. Sukesh Kumar, the Chancellor of JS University, Shikohbad, a highly motivated visionary and the Founder President of the Trust, is the brain behind the venture. Armed with blessings from his mother, his sense of devotion and dedication, and the vision to develop a world class institution, he established J.S. Institute of Management & Technology in 2007. The Institute is approved by **All India Council for Technical Education (AICTE)**, Ministry of HRD, Govt. of India. Recently new departments have been added (See list on the next page)

The institute campus is spread over 25 acres of land and ideally suited for academic pursuits. The Academic Block accommodates Lecture Theaters, Tutorial Rooms, State-of-the-art Computer Centre, Laboratories, Drawing Halls, Central Library & Seminar Halls, Play grounds for Cricket, Football, Volleyball, and Badminton all are designed to create academic ambience conducive to complete education. There are separate Hostels for Boys (150 beds) & Girls (100 beds).

J.S. Institute of Management & Technology has been conceptualized and designed to be a shining star amongst top notch technology institutes. We have a rich resource pool of human capital, most with Ph.D. and/or Postgraduate qualifications. The unmatched academic ambience and physical infrastructure are complemented by highly professionalized Management and Administration.

### **Global Orientation**

*J.S. University strongly believes in exposing its students to as many ideas and learning environments as possible. In order to achieve this goal, we are planning to establish collaborative programmes with many prestigious International Universities and institutes such as Mauritius, Nepal, Russia etc.*

Discussing for MOU with MGI (Mauritius) and Mauritius Open University (Nov. 2015)

# COURSES OFFERED AT JSIMT CAMPUS

## Post Graduate Programme:

S. NO.	NAME OF THE PROGRAMME	INTAKE	DURATION	ELIGIBILITY
1.	Management & Commerce M.B.A & M.Com. <b>Dual Specialization:</b> ▶ Human Resource ▶ Finance ▶ Marketing ▶ I.T.	60	2 Years	Graduation with 50% marks aggregate
2.	<b>M.Tech.</b> Civil Mechanical Computer Science & Engineering	60	2 Years	Graduation with 50% marks aggregate

## Under Graduate Programme:

**B.Tech.** programmes are being offered in the following branches:

S. NO.	NAME OF THE PROGRAMME	INTAKE	DURATION	ELIGIBILITY
1	Civil Engineering (C.E.)	60	4 Years	10+2 with 50% marks aggregate in PCM/B
2	Mechanical Engineering (M.E.)	60	4 Years	10+2 with 50% marks aggregate in PCM/B
3	Computer Science & Engineering (C.S.E.)	90	4 Years	10+2 with 50% marks aggregate in PCM/B
4	Electronics & Communication Engineering (E.C.)	60	4 Years	10+2 with 50% marks aggregate in PCM/B
5	Polytechnic :			
	a) Civil	60	3 Years	10th with 50% marks aggregate in PCM/B
	b) Mechanical			
	i) Automobile	60	3 Years	
	ii) Production	60	3 Years	
	c) Electrical	60	3 Years	
	d) Computer Science	60	3 Years	
	e) Architecture	60	3 Years	
	f) Information Technology	60	3 Years	
	g) Electronics	60	3 Years	
6	PG Diploma in Fire Safety Management	60	1 Year	10+2 with 50% marks aggregate in PCM/B

## J.S.I.M.T. Advantage

Students at JSIMT have the advantage of developing a cross-functional knowledge base, with good synthesis of Indian and International perspectives.

### Emphasis on Case-based Learning

Case-based learning is an important component of business & technical education at JSIMT. Most of the courses are taught through real-life cases, designed to help bridge the gap between industrial theory and practice.

### Strong Industry Interface

JSIMT has a strong, active and growing interface with business and industry, with experts from a range of leading companies delivering regular guest lectures, and serving as members of various advisory boards.

### Continuous Learning

The programs offer students an opportunity for continuous learning, so that their knowledge and skills remain current and relevant. The learning methodology adopted provides them the desire and the ability to seek, comprehend and internalize knowledge on a continuing basis, even after they complete the programs.

- ▶ Classroom Sessions: Students receive regular classroom instruction, which help them to learn and internalize their understanding of subjects.
- ▶ Curriculum: Students are exposed to the latest body of knowledge through the contemporary, market-oriented curriculum.
- ▶ Projects: Students are encouraged to take up projects on contemporary topics as a part of their independent study.
- ▶ Continuous Evaluation: Students are evaluated on the basis of minor tests, home assignments, case analyses, seminars, projects, etc.
- ▶ Computing Facilities: JSIMT provides the latest hardware and software infrastructure including high speed internet to cater all the computing needs of the students and training requirements of the information technology courses.
- ▶ Library: Libraries are well-equipped with latest software packages and have comprehensive collections of books, CDs, videos, Indian and international journals/magazines and research reports, relating to management & technical subjects. In addition, JSIMT also subscribes to business and research oriented online databases like Reuters Business Insights and Marketline.

- B.Ed.** : All Compulsory subjects (Recongnized by NCTE)  
**D.El. Ed. (BTC):** Art & Sci (Recongnized by NCTE)

## Hostel Accommodation

Pursuing higher education is a tough task for young adults. In most cases, it requires relocation to an entirely new setting away from home, and usually for the first time. But living on campus enables quick student involvement in college activities. These activities help students to make friends and integrate with the community on campus.

We are, therefore, sensitive to the sentiments of our students and strive to provide a home away from home. This is also especially meaningful because only when students are living comfortably will they be able to learn effectively.

Students are provided single room or sharing accommodation subject to availability. Preference is given to final year students and postgraduate students for occupying single room accommodation. The rooms are adequately furnished. A weekly laundry service is provided and each hostel has its own common room and cafeteria.

## Campus Life

## Integration & Placement Services

At JSIMT, we believe that technical education institute should have strong links with the industry, so that current industry practices as well as technologies can be disseminated amongst the student community. Thus, since our inception, we laid a strong emphasis on developing long-lasting relationship with various reputed industrial houses by conducting guest lectures, seminars etc. hence, we leverage that relationship for placing our students in these companies.

The institute has a well developed Training & Placement Cell headed by a Training & Placement Officer having close liaison with reputed public and private sector organizations. Its members interface with stalwarts of the industry on a day-to-day basis, for arranging guest lectures/seminars to share their knowledge and experiences. We also take our students for industrial visits and excursion. Members of T&P cell also interact with various companies for arranging summer training for second & third year students and campus interviews for final year students. Thus, despite a downturn in the industrial segment and a dull job market, we have been able to place most of our students. There are several companies with whom we have a relationship with respect to guest lectures and/or placements.

Das Auto.

**ET WORLD Admission, Training and Placement Partner  
J.S. University Shikohabad (U.P.)**

### About ETS :

Since inception in 1981, ETS World ([www.etsworld.net](http://www.etsworld.net)) has been at the forefront of imparting training to ensure skills-sets in line with industry requirements. Its courses in IT, Banking, Finance, Insurance, Communication Skills and Management have built satisfying careers for millions of learners. Along the way, ETS has created the largest industry partnership program in the world, including relationships with over 2,000 companies in operations that span 40 countries.

It is an acknowledged institution in learning content development and the application of IT to enhance learning. Its **UK subsidiary**, has created the world's largest library of self- directed, online learning content for corporations. ETS Imperia uses synchronous learning technology to deliver Executive Management Education from IIMs across India. Current broadcasting studios deliver programs from **IIM Kolkata, IIM Indore, IIM Lucknow and IIM Ahmedabad.**

### Vision

To be the leading centre of innovation and learning in emerging areas of the knowledge society.

### Mission

- \* To foster research, discovery and sustainability.
- \* To deliver distinctive education through the pioneering use of technology.
- \* To develop talent for sustainable growth of Industry and society.
- \* To nurture a culture of seamlessness in all facets of life.

Accordingly we have charted-out our strategy and designed the Training and placement We have tied-up with **J.S. University Shikohabad (U.P.)**

**HCL WORLD Admission, Training and Placement Partner  
J.S. University Shikohabad (U.P.)**

# Admission Procedures

J.S University places special emphasis on quality education. Applicants are considered on the basis of their qualification regardless of race, color, gender, religion, disabilities, age or national origin. The most qualified candidates will be selected to fill the available places.

The medium of instruction is English and Hindi both and a good command of the language, both oral and written, is essential for students to be successful at JSU.

For admission consideration percentage of marks or grades at qualifying examination and university grade point averages (if applicable) must meet the minimum established standards as set by the university. Furthermore, applicants with previous university/college experiences applying to JSU as first-year students will only be considered if they were in good academic standing in their previous university/college, meet the JSU admission requirements and if seats are available.

All admitted students are required to pay 1,000 RS. Deposit as registration fee and This registration fee is non-refundable and non-transferable to others under any circumstances and must be paid before the established deadline.

The offer of admission, regardless of type, is valid only for the semester for which a student applies. If an applicant is granted admission for a certain semester and for some reason fails to register for that semester, the applicant may request, in writing, deferring admission for the following semester only. Admission consideration for the following semester will depend on available places and the established admission criteria.

The university requires regular attendance at all classes, lectures, laboratory sessions and seminars.

## Apply only at [jsu.ac.in](http://jsu.ac.in)

### Minimum Admission Requirements

JSU's minimum admission requirements depend on the applicant's type of secondary education program and certificate. In all cases, for non-vocational certificates, only subject classified as academic are accepted for admission consideration and the calculation of averages. Admission to the university is competitive, and the actual required minimum average for admission consideration and to guarantee a seat will depend on :

- Secondary education certificate or school average
- Pass marks in eligibility test (as applicable)
- Number of available seats

However, the minimum required average for accepting an application for admission consideration is the equivalent of 40 percent or more in the final year (depending on the education system) of secondary education, Higher averages may be applicable for certain courses. Other program-specific requirements or restrictions may also apply.

### Recognized secondary School Certificates

Secondary school certificates are awarded either by Govt. recognized education board or by private schools and institutions JSU recognizes certificates awarded by ministries of education. However, some countries award two levels of secondary school certificates. In this case, the university recognizes the higher certificate. The university accepts certificates awarded by private secondary schools that are recognized by their host country.

The university also accepts certificates awarded by recognized qualification authorities, international boards and national boards.

### Procedures for Applying

To apply to JSU:

- Applicants may apply online by visiting [www.jsu.ac.in](http://www.jsu.ac.in)
- Applicants may also choose to submit their applications by hand to Office of University . The application form is enclosed in the prospectus folder.

### Document Required for Admission to JSU

The Following document are required to process an application for admission:

- JSU application for admission, with every item in the application completed
- Self attested official secondary school certificate
- Official marks sheet/grade reports of the last classes(salf attested)
- Four recent photographs
- Cast certificate (if belongs to SC/ST or OBC Category)
- A photocopy of the applicant's ID (Voter card or Adhar card)
- A non-refundable application fee of Rs.1000/-
- The appropriate document for the type of admission you are
- Proper Visa paper and photocopy of passport (for foreign students)

### Examination Schedule
