Mahatma Gandhi Institute of Technology & Management

# PROSPECTUS

# About Us

MGITI was established with a solo motive to provide best education skills to the concerned students who want to create their future in the field of technology and vocational courses. We believe in developing and enhancing the skills of the students by providing best knowledge and faculty to our students with a view to attain "Sincerity, Authority and Superiority".

The MGITI was born in 1998 but got its recognized registration on January 2010 with a registered trade mark division of AAP AUR HUM Regd. to the Government of NCT Delhi having its Regd. no 3274 having its head office. This society is registered by Govt. of India under society ACT 1860 under 21 Provisions. MGITI is an 9001-2008 Certified Organization by JAS-ANZ (Australia). We have followed all the quality procedure establish by JAS-ANZ for maintaining the best quality.

Our quality education chain does not limited in Delhi only but we also provide education in other states of India also with a great quality. MGITI provides great job opportunities to the concerned students of the institute with assured placement in good and reputed companies. We aim to provide our upcoming young generation a dynamic range of higher studies in order to serve the students from wide range of themes. MGITI works for the benefit of the people who want to establish their career in this competitive technology world with a reasonable fees structure along with 100% placement policy We act as a helping hand for those who are employed to reduce the level of unemployment by educating them and providing them with job. MGITI is associated and affiliated with various reputed universities and boards such as Karnataka State Open University, MS University, SVN University, Ch. Charan Singh University. We are also associated to Vishavkarma University. We have its affiliation with various educational organizations & UGC/DEC/AICTE approved universities for imparting the best & quality education to the mass. MGITI wants to pay an exclusive thanks to Government authorities and its worthy staff, Management and all other universities supporters who help us to accomplish our goal in different states of India.

*A place of quality,  
a place to grow,  
from hope to action  
through knowledge*

# Online Education

Online education is become the most common mode of education, basically online education is learning and taking classes via internet. Maximum numbers of students are now going for online classes as it is convenient and flexible in nature. You can attend classes from your home in your own comfort zone. Under online educational system it is not necessary for a person to be physically present in the classroom one can easily take his learning via internet through the mode of Computers, Laptops, Tablets etc. With online education you can take advantages of mobility as your classroom can be wherever you are connected to the internet.

However, if you want to set a great career ahead than you can go for online education as it helps you Preserve your time and maintain a comfort level without sacrificing your lifestyle as much a campus-base education required you to.

While learning via internet one can easily pause and rewind the lectures and can also able to download such lectures for future comfort.
